## ELKS WILL INVADE GOLDFIELD MAY 14

VISIT OF TONOPAH TO GOLD-  
FIELD WILL NOT OCCUR  
TILL MAY 14.

The Goldfield Tribune of yesterday says: Owing to an expressed desire on the part of the Tonopah Elks to postpone their coming to Goldfield for a return game for another week, it has been decided that the big festivities will not occur until May 14.

Then the "pestigating" herd from Tonopah will descend on Goldfield, and what may occur on that date is not to be charged against the account of any newspaper scribe.

The Goldfield "Bills" outshone their rivals in the recent Tonopah trip as to costuming. The Tonopah hospitality was a thing to be made permanent on the Elk archives.

Therefore, Tonopah will endeavor to outdress Goldfield on the 14th, and Goldfield will inversely endeavor to out-entertain the Tonopah bunch.

There seems little more to say on that point!

It is probable that the same teams with but few exceptions, will cavort about the diamond. Manager Mike Cahalan of the local bunch, grieving over the performance of some of his players, asserts he prays nightly that some of them will fall down and break a leg before the fourteenth, so he may replace them with real ball players.

No use asking names though—he wouldn't tell. The full program will be announced later.

## MILTON ISH SUFFERS FROM PAINFUL BURNS

Milton Ish, prominently identified with musical circles in Goldfield, was the victim recently of an accident which will deprive him of the use of his right hand for some days to come.

He was summoned to the home of a friend to take a flashlight photograph of guests, but through an error of an assistant in filling the flashlight charge, too much was used. As a consequence, when it was ignited the flames seared Mr. Ish's right hand so severely that the services of a physician were required.—Tribune.

## KIDS WELCOME AT THE IDORA EARLY TONIGHT

MANAGEMENT IS HOST OF THE  
CHILDREN—AN ENTIRELY  
NEW BILL.

Hurrah for the Idora theater, say the kids of Tonopah in unison, at least those of them who are at present attending school in this town. The reason? Why all the school children will be the guests of the theater management at the first performance this evening. It will be perfectly safe for mothers to allow their tots to attend this performance as they will be in charge of their teachers, under the especial care of Professor Schoer.

A real good time is assured the guests of the theater, and they are requested to put in an early appearance, as the show commences promptly at 7 o'clock.

At tonight's performance there will be an entire change of program. The Lorraine Sisters will appear in a new role and their act promises to be a great treat to all who witness it. The pictures will also be brand new; the latest and best that the market affords. The pictures for tonight are: "Artistic Temperament," (Lubin); "Lieut. Stube," (Pathe), and "Saw Mill Hero," (Kalem.)

## DICK JOSE TO MAKE HIS HOME IN RENO

Dick Jose and wife will take up their residence in Nevada shortly. Recently while in Reno Dick made the announcement that he was about to leave with travel and expected to make his home in the riverside town shortly. At the conclusion of his present tour he will return to Reno where he expects to make his home.

## MANHATTAN MARKED DOWN \$10 TO \$3.00

FREE RIDES MAY SHORTLY RE-  
SULT FROM THE  
AUTO WAR.

All aboard for Manhattan and just think of it three simoleons is all the tariff since the "war of the autos" commenced a few days ago. Competition is surely the life of trade and often times the death of that same. Anyway when the carriers fall out and agree to disagree the public is bound to be a ten time winner. Within the past few days a brand new car has been put on the run and commenced to make the trip for a half-eagle. Others shortly met the price and went it one better making the trip for three little beans. Should the slashing keep on it is possible that the steamship wars of the Pacific coast and of Lake Michigan will soon be equalled and bonuses paid the folks for making the trip.

Many folks are now making the trip for the mere joy of riding in a "buzz wagon" and just because it is so cheap. Marked down from \$10 to \$3.

## PHIL ALLEN WRITES LETTER FROM VALDEZ

Newt Crumley is in receipt of a letter from Phil Allen, who left for Alaska points some few weeks ago. The letter is dated at Valdez and conveys the information that at the time it was written—about a week ago—it was about six weeks too early to enter the Alaskan mining country, owing to the heavy snow which mantled mother earth. The sunshine is plentiful, states Mr. Allen, but not of sufficient strength to dissipate the snows.

The letter carries the information that a recent strike in the Cliff mine uncovered a ledge seven feet wide that runs \$460 to the ton. One of the premier strikes of the Valdez district.

Mr. Allen states that prospects in the far north are bright indeed, and that each succeeding steamer brings in new recruits to the ranks of the fortune hunters.

## ALL RUNNING SMOOTHLY FOR ELKS LARGE ANNUAL DANCE

Report Made By Arrangement Committee Last Night Is most Encouraging to the Antler Herd of Tonopah Number 1032.

All is well, is the report of the committee in charge of the arrangements for the great annual event of Tonopah lodge, No. 1062, B. P. O. E., made last night at the home of the local herd. The committee has accomplished wonders in planning for this feature dance of the season. It will be a grand ball by all that the word implies. The committee is composed of Ed Malley, chairman; W. K. Wise, on decorations; James Hefferan, on banquet and "punch;" L. M. Gagne, on printing; Fay Davis, on music and dancing.

The banquet hall will be the

## COUNTY DADS WELL PLEASED WITH NEW BERTILLON OUTFIT

All Three Are "Mugged" for the Juvenile Tonopah Rogues Gallery—Low Cost of Operation Is Big Hit With Commissioners.

Yesterday afternoon the board of county commissioners spend considerable time in the office of Sheriff Malley, investigating the newly installed Bertillon and finger-print identification system. They were highly pleased with the outfit and especially with the low cost at which it can be operated.

## MAY DAY STRIKE THOUSANDS IDLE

CARPENTERS IN LOS ANGELES  
AND SHOPMEN AT PENNSYLVANIA DIVISION POINTS.

LOS ANGELES, May 2.—The first of the scheduled strikes of union labor men in this city began yesterday, when a general strike of all union carpenters was ordered to enforce the demand of the daily wage of \$4 instead of the present wage of \$3.50. About 500 carpenters are said to have walked out. More will join them, according to statements from union headquarters. Labor leaders deny any intention to call a general strike at present.

Pittsburg, May 2.—About 1000 railroad shopmen between here and Altoona struck yesterday. Union officials say 5000 men will be affected. At Pittsburg the company laid off 2000 men and 500 remaining promptly struck.

## STARTLING DEVELOPMENT IN POLITICAL DEADLOCK

NASHVILLE, Tenn., May 2.—Out of Tennessee's political legislative deadlock came a development yesterday bordering on the sensational, in the publication of a dispatch from Birmingham declaring that a bribe fund of \$1500 had been offered to Representative J. O. McDonald of Overton county by Judge E. C. Goodpasture of Livingstone, provided Mr. McDonald agreed to bind himself to vote with the so-called "regular" democrats on all questions coming before the legislature.

This alleged agreement in writing McDonald claims he holds. It was made, he asserts, on December 31 of last year. Judge Goodpasture, in Livingstone, Tennessee, denied that Mr. McDonald held such written proposal.

## SALOON ROBBED.

PORTLAND, Ore., May 2.—Two robbers held up a saloon here last night and after forcing the sixteen occupants of the place down a trap door into the cellar, took \$160 from the cash register.

## STOLEN RING IS MADE GOOD BY "WAITRESS"

JEWELRY STORE IN RHYOLITE  
IS THE CAUSE OF QUITE  
A LITTLE TROUBLE.

Tony Grenael and his wife, the latter a denizen of one of the smaller dance halls of Tonopah, until they took their departure for Hazen some few days ago, have forwarded to Police Chief Smith \$16 to make good for a stolen ring, besides \$10 and court costs. And thereby hangs a tale.

Mrs. Grenael, whose husband is sometimes a worker in the mines, before coming to Tonopah billed and cooed to one Pete Magi of Rhyolite, inveigled him out of a ring with the promise that it would be returned. However, finding it expedient to make a hasty move to Tonopah, the lady left and forgot all about the ring, except that she remembered to bring it along with her. Magi made a howl to the local police with the result that the couple were traced from this point to Hazen and compelled to make restitution for the stolen jewelry and also for the trouble that had been caused the police department.

## TONOPAH BOYS LEAVE FOR NORTH WITH MULES

Hugh MacNamara and Fred Zimmer, of the Central Market, left Tonopah this morning on a ramble that may keep them away for the entire summer.

As an adjunct to their vacation outfit they have a team of mules and a covered wagon. Their point of destination is somewhere in Oregon; just where nobody knows, not even themselves. They will make the long overland trip in easy stages, enjoying life as they proceed, but it is predicted that the charms of the desert will shortly prove the magnet that will draw them back home again.

## JIM BARRY TO HOOK UP WITH "GUNBOAT" SMITH

SAN FRANCISCO, May 2.—Jim Barry, who already has one victory to his credit over "Gunboat" Smith, will try to repeat the trick tomorrow night when he again tangles with the husky Californian at the Oakland Wheelmen's show. Barry has mapped out a rather busy campaign for himself and the matches that the Chicago heavyweight has in sight hinge upon the outcome of this week's six-round bout with Smith. If he fails to beat "Gunboat," Barry will not box the winner of the Al Kaufman-Jim Flynn fight at Kansas City on May 5th; neither will he land the proposed no-decision go with the champion, Jack Johnson, which one of the Philadelphia promoters has been considering.

## STATE MILITIA IS ORDERED TO GO TO THE BORDER

SACRAMENTO, May 2.—Adjutant General Forbes received a telegram from the war department at Washington yesterday directing him in detailing officers of the National Guard of California to special duty on the Mexican border, to name on his next list three majors and ten company officers. The company officers will be captains of as many companies of infantry from the National Guard. This assignment will be the third made since the government has been holding maneuvers at the war zone. Heretofore the officers sent have been colonels and other regimental officers.

## RUSH CONTRACT GIVEN.

YUMA, Ariz., May 2.—The reclamation service has awarded a contract for the installation of an air lock to drive a tunnel under the Colorado river as the final unit in the Yuma irrigation project. It must be ready by June 15.

## CARL MORRIS SICK.

TULSA (Okla.), May 2.—Carl Morris, the puglist, is confined to his bed with a case of acute tonsillitis. He recently underwent an operation for this affliction.

Idora show starts promptly at 7 o'clock. Be sure and not miss it.

## MAJORITY LIST IS ADOPTED

THE SENATE COMMITTEES ARE  
COMPLETED DESPITE A  
HOT PROTEST.

WASHINGTON, May 2.—The senate yesterday was busy setting its house in order and its completion of that task means readiness to proceed with business. Confirmation of appointments to the various committees held up by opposition of the progressive republicans clears the situation and permits of a gearing up of the senate's legislative machinery.

The progressive republicans last night abandoned hope of winning their fight to have Senator La Follette placed on the Interstate Commerce commission and Senator Bristow on the finance. The democrats declined to be drawn into factional dissensions, recognizing the right of the republican majority to make its own selection.

Therefore, the defeated insurgents were content with making formal protests, in this way setting forth their reasons for their stand in the controversy.

The LaFollette statement prepared at a conference of 13 insurgents (Senator Kenyon, the new senator from Iowa, having joined the original 12), set forth at some length the growth of the so-called progressive movement in the republican party.

The progressives, it was claimed, had a right to one-fourth representation on the various committees. The protest was directed especially against the finance committee, on which the insurgents wished to place Senator Bristow, and the Interstate Commerce committee on which Mr. La Follette desired a place.

When Mr. La Follette had concluded the insurgent statement, Senator Gallinger, chairman of the committee on committees, said he was quite content to let the insurgent statement go before the country, together with the list of committees as framed. Mathematically, he declared, the insurgent wing was entitled to 100 committee places. As a matter of fact, it was given 114 places.

"In the division of assignments," he added, "the committee on committees believes it was acting equitably and justly."

The committee list then was adopted with only a few scattering "noes" from the insurgents.

## FEATURES AT BUTLER SCORE DECIDED HIT

TONIGHT'S PROGRAM INCLUDES  
MANY NEW SONGS AND  
DANCES.

One of the largest crowds that ever attended a moving-picture show enjoyed the splendid program that was given last night at the Butler theater. Miss Randal, that clever little singer, sang "Carissima," and her rendition of this pretty song was far and above the average. She has a most splendid voice and she had to respond to many encores. Miss Green, in her coon songs, was a distinct hit. She is a "coon-shouter" pure and simple. For tonight's performance these ladies will be heard in new songs. Miss Green will introduce dances in her specialty. The pictures for tonight are as follows: "The Money Lender," (drama); "Nemours and the River Seine," (scenic); "The Sheriff's Daughter," (Western drama), and a Vitagraph feature film, entitled "The Aching Void." Our new machine is a big success, showing an absolute flickerless picture.
